

Trip to Formentera

In this post, we include everything related to traveling to Formentera so it becomes easier and more affordable for everyone.

Wind Warning & Coordination

Whenever there is wind, the club will notify **Transmapi** that we are going that day. We will announce it in the WhatsApp group.

You must also send your **full name, surname, ID number, and place of residence registration** so it can be forwarded to Transmapi the day before.

IMPORTANT: At the ticket desk, it is mandatory to show your **digital membership card** with the **green flashing light** in order to apply the club discount.

Our Agreement with Transmapi

Resident price: €6.83

Non-resident price: €27.30

Car price: €30

Winter Pickups 2025/26

This winter 2025/26 we will organize pickup services so you don't have to bring your own car. All details will be shared in the WhatsApp group.

Rescue Boat Service

If you want to sail with flat sea and offshore wind, here are the rescue boat prices:

Basic: €10

Premium: €5

VIP: Free

Attention!

Always pay before going into the water. We recommend sending a WhatsApp message to Benjamin (681 674 375) the day before if you need rescue assistance.

If you haven't paid and the rescue boat comes for you, be prepared to pay **€200**.
